This is the site where we should've released our data.

If they can have this, why not epaosc?

Janie,

I'm across the breeze way in the Area Command but what codes are we talking about?

Eric,

Hey there, I'm here in Durango at the JIC, wondering if there is any way that we could have the code for the sampling maps? The Colorado Homeland Security & Emergency Management here in the JIC wants to post to other media sites.

David Gray is here and mentioned that there were issues initially with the codes before posting.

Thanks!
